

## Stronger As One

Gary Barlow

From Echo Bay to Kanye  
Bartica to Bairiki  
Flowing as one,  
Where any dream can live on  
With old and with new  
It is the voice that rings true (Oh-Oh)  
Calling us, making us one

Heart and a soul  
Shining as gold  
Under one Sun  
We're stronger as one

Montego Bay to Savai'i  
Sullum Voe to Kalahari  
Oceans may part  
But every river must start  
In valley and hill  
We are people who will (Oh-Oh)  
Come now, joining as one

Heart and a soul  
Shining as gold  
Under one Sun  
We're stronger as one

In the rise and the fall  
Of echoed words in great halls  
Nations may dawn  
But it is we who are born  
All equal and free  
With the power to see (Oh-Oh)  
Who among many has one

Heart and a soul  
Shining as gold  
Under one Sun  
We're stronger as one
