

# Winter Wonderland

Gary Barlow

Sleigh bells ring, are you listening?  
In the lane, snow is glistening  
A beautiful sight  
We're happy tonight  
Walking in a winter wonderland

Gone away is the bluebird  
Here to stay is the new bird  
He sings a love song  
As we go along  
Walking in a winter wonderland

In the meadow, we can build a snowman (You and me)  
Then pretend that he is Parson Brown (Parson Brown)  
We'll say, "Are you married?" He'll say, "No, man (No, man)  
But you can do the job when you're in town"

Later on, we'll conspire  
As we dance by the fire  
To face unafraid  
The plans that we've made  
Walking in a winter wonderland

Hey!

Go on, girls!

Walking in a winter wonderland

In the meadow, we can build a snowman  
Then pretend that he is Parson Brown  
We'll say, "Are you married?" He'll say, "No, man  
But you can do the job when you're in town"

Later on, we'll conspire  
As we dance, dance, dance by the fire  
To face unafraid  
The plans that we've made  
Walking in a winter wonderland

He sings a love song  
As we go along  
Walking in a winter wonderland

A beautiful sight  
We're happy tonight  
Walking in a winter  
Come on, girls!
