

# When We're Together

Gary Chapman

On the road in a thunderstorm with a load that's overdue  
Drivin' on in the drivin' rain till I get back home to you  
This west coast time is just a bit too fast for me  
But I'll be fine when I'm back in Tennessee

CHORUS:

'Cause when we're together love's so strong  
I feel I could take the whole world on  
If it's gonna rain I don't care  
I can take the pain if you're there  
Everything is better  
When we're together

Oh, when we're together  
By your side all the time I see life from a different point of view  
Why did I ever try getting by livin' without you  
My love was locked in a prison of my pride  
Then you knocked and the door flew open wide  
Thank God you came inside

(REPEAT CHORUS TWICE)

Oh, when we're together  
When we're together  
I know we're gonna make it  
You know we're gonna make it  
Just as long as we can stay together

When we're together
