

Habits

Gary Clark Jr.

I've got habits that I just can't break, mm
When I think about it, I start to shake
I been feelin' like this for a while
And I always hide behind my crooked smile

I keep runnin' in circles, uh
Chasin' my tail
I've lost my purpose, mm
I need some help, oh

I've had good days and I've had bad, mm
I wouldn't trade it for the time that we've had
White lies, oh, white lies
Bright smiles turn to cryin' eyes

And I keep runnin' in circles, no
Chasin' my tail
It looks good on the surface, mm
I need some help, oh

'Cause we've only got one shot from the moment we started
Gotta stay on lock, locked on target
I've got everything I need and more than I wanted
But it means nothin' when you're gone, oh

But it means nothing when you're gone, gone

I know nothin' is for sure
I know nothin' is for sure, I
I know nothin' is for sure, no
I know nothin' is for sure

Hold on
Hold on, oh
Hold on, oh
Hold on, oh, oh, oh

I've got habits that I just can't break

Come back, my love
Come back, my love (Come back, my love)
Come back, my love
Come back, my love (Come back, my love)
Come back, my love
Come back, my love (Come back, my love)
Come back, my love
Come back, my love (Come back, my love)
Come back, my love
Come back, my love (Come back, my love)
Come back, my love
Come back, my love (Come back, my love)
Come back, my love
Come back, my love (Come back, my love)
Come back, my love
Come back, my love (Come back, my love), hey

Come back, my love

Come back, my love
Come back, my love
Come back, my love
Come back, my love
Come back, my love
Won't you please come back, my love?
Come back, my love
