

Nextdoor Neighbor Blues

Gary Clark Jr.

Gotta call from my neighbor mornin'
Told me my baby was gone (2x)

Took the keys to my Cadillac
Left my clothes out on the lawn

Came home last night
With a pistol pointed in my head (2x)

She said you better fess up boy
or I swear i'm gonna shoot ya dead

Break

I shoulda known somethin' wrong
somethin' wrong is goin' on (2x)

Oh yeah
I found out that girl moved in next door
