

The Governor

Gary Clark Jr.

Well, you can meet my brand new governor
He the one that makes the law
If you meet him face to face
You gonna be the one at fault
It's your lie, it's your choice, it's you
But if you meet my brand new governor
You gonna be the one to lose, yeah yeah

Well, you can meet my brand new governor
He the one that makes the law
But if you meet him face to face
You gonna be the one at fault
Oh, if you lie, it's your choice, it's you
But if you meet my brand new governor
You gonna be the one to lose, alright
