

Third Stone from the Sun / If You Love Me Like You Say

Gary Clark Jr.

If you love me like you say
Why you treat me like you do
If you love me like you say
Why you treat me like you do

Well, I ain't no fool
Yeah, I'm cool, I know the rules

Said you'd never run around
Said you'd never stay out late
Said you'd never run around
Said you'd never stay out late

Let me tell, you pretty baby
Oh, I gotta set you straight

Said you'd never run around
Said you'd never stay out late
Said you'd never run around
Said you'd never stay out late

Let me tell you, pretty baby
Oh, I gotta set you straight
