

Triumph

Gary Clark Jr.

From this moment, things will never be the same again
I hope you know the difference between amazing friends
When they call you out for dumb shit that's when you grow up
When they violate your space, go ahead and blow up
Know that life is not a race, take your time, slow up
Ignite that spark inside your mind 'til they feel it heating up

Then set the world on fire, don't give up
Turn tragedy to triumph, go live it up
For you, one time
Don't let the world let you down, yeah
Go live it up, yeah

Keep moving forward 'cause you can't do it over again
And I hope you learn the lessons between losses and wins
Just knows that doors start to close when your flow pours up
They really start to open when the real you shows up
You know you could be amazing, you could really glow up
Pour some fuel on that fire in your heart, then blow up

And set the world on fire, don't give up
Turn tragedy to triumph, go live it up
For you, one time
Don't let the world let you down, yeah
Go live it up, yeah

(Go live it up)
Go live it up, yeah
Go live it up, yeah
Go live it up, yeah
(Go live it up)
Go set the world on fire
(Go live it up)
Go set the world on fire
(Go live it up)
Yeah, yeah
(Go live it up)

Go set the world on fire, don't give up
Turn tragedy to triumph, go live it up
For you, one time
Don't let the world let you down, yeah
Go live it up, yeah, yeah

Go live it up, yeah, yeah
Go live it up, yeah, yeah
Go live it up, yeah, yeah
(Go live it up)
Go set the world on fire
(Go live it up)
(Go live it up)
Yeah
(Go live it up)
Yeah
(Go live it up)
Ooh
(Fire, fire)

(Set the world on fire, fire)
Go set the world on fire
(Set the world on fire, fire)
Oh, yeah, yeah
(Set the world on fire, fire)
(Set the world on fire, fire)
(Set the world on fire, fire)
(Set the world on fire, fire)
(Set the world on fire, fire)
Ion Ion, I'm tired
Then go to sleep in your bed
I meant, in that crib
