Cinema

Gary Go

I could watch you for a lifetime
You're my favorite movie
A thousand endings
You mean everything to me

You are my cinema
I could watch you forever
Action thriller
I could watch you forever
You are my cinema
A Hollywood treasure
Love you just the way you are
My cinema, my cinema

Stars spell out your name
Like in a science fiction drama
Romance growing
Like a flower in the summer

Don't look at the stars tonight
Don't look straight into the light

I can't take my mind
Everything you do
All I see is you

You are my cinema
I love you

You are my cinema
I could watch you forever
Action thriller
I could watch you forever
You are my cinema
A Hollywood treasure
Love you just the way you are
My cinema, my cinema

A cinema, a cinema, a cinema, a cinema
A cinema, a cinema, a cinema, a cinema

Playing every play
Backing in this moment
But every catch is fading

My cinema
