

Towers floating on sea of ghosts;
Downtown Los Angeles.
Saw the Parthenon on cotton clouds
coming over the hill.

Trapped a dragon west of Chinatown for fire-
eaters up in Hollywood
My little sister took a picture of God and floated away

When your hands are broken
When your words are slipping
Put your arms around him
And go ... down

Hide your money in the other hand
(Observations of a regular)
Towers floating on a seat of ghosts...
It's always the same, I told you
