

## Make It Rhyme

Gary LeVox

Last night was amazing  
I didn't wanna wake you  
So I put pen to paper  
And I cried when I did

Staring at you sleeping  
Trying to find the words I needed  
Oh, to tell you how I'm feeling  
And it goes like this

When I picture perfect and I picture you  
I think your heaven and heaven does too  
You are my story and the reason I breathe  
If it wasn't for you  
I wouldn't be me  
You're writing the song of my life  
And I just make it rhyme

See there hasn't be a morning  
[?] didn't know me  
Oh, and my hearts glad you stole it  
I don't ever want it back

Yeah, but I picture perfect and I picture you  
I think your heaven and heaven does too  
See you are my story and the reason I breathe  
If it wasn't for you  
I wouldn't be me  
You're writing the song of my life  
But I just make it rhyme

I just wanna make it rhyme (Woo)

When I picture perfect and I picture you  
I think your heaven and heaven does too  
See you are my story and the reason I breathe  
If it wasn't for you  
I wouldn't be me  
You're writing the song of my life  
Yeah, you're writing the song of my life  
I just make it rhyme  
I just make it rhyme
