

Never Forget

Gary LeVox

Lord, your love is like a song
That I heard when I first believed
Life is loud now but underneath
I can still hear that melody

'Cause my soul still remembers
What my eyes can't see
And my heart still rejoices
In that memory
My today is a witness
Of our history
Jesus, I'll never forget
What you've done for me

Lord, your goodness follows me
It has never left me yet
And when my instinct is to fret
I won't let myself forget

'Cause my soul still remembers
What my eyes can't see
And my heart still rejoices
In that memory
My today is a witness
Of our history
Jesus, I'll never forget
What you've done for me

I promise that I won't forget
(What you've done for me)
I'll praise you every chance I get for
(What you've done for me)
No one on earth could even guess
(What you've done for me)
No you didn't have to do it
But I'm glad you did

Oh, I'll never forget it
Never forget it
Never forget it, no
I'll never forget it

Jesus, I'll never forget
What you've done for me
Jesus, I'll never forget
What you've done for me

Thank you, Lord
What you've done for me
