

A Hundred Pounds Of Clay

Gary Lewis & The Playboys

He took a hundred pounds of clay
And they he said "hey, listen"
"I'm gonna fix this-a world today"
"Because I know what's missin'"
Then he rolled his big sleeves up
And a brand-new world began
He created a woman and-a lots of lovin' for a man

With just a hundred pounds of clay
He made my life worth livin'
And I will thank him every day
For every kiss you're givin'
And I'll thank him every night
For the arms that are holdin' me tight
And he did it all with just a hundred pounds of clay

Now can'tcha just see him a-walkin' 'round and 'round
Pickin' the clay uppa off the ground?
Doin' just what he should do
To make a livin' dream like you
He rolled his big sleeves up
And a brand-new world began
He created a woman and-a lots of lovin' for a man
