Doin' The Flake

DOIN' THE FLAKE

Gary Lewis & the Playboys

(Bass voice: Flake, flake, do the flake, do the flake, flake, flake)

(Other backup voices sing same)

Everybody from miles around

Comes out dancin' when they hear this sound

Crazy new dance that's the top of the town

It's the flake

You get Peggy & I'll get Sue

We'll head on down to Malibu

All our friends will be there too

Surf, sand, sun & fun

Makes the day at Malibu Run

Stop, listen when you hear that beat

It's easy to do, just move your feet

Shootin' the curl till the surf's all gone

Dance in the sand with your baggies on

Grab yourself a chick & swing along

To the flake

(same backup routine as at beginning)
