

# Everyday I Have To Cry Some

Gary Lewis & The Playboys

Every day I have to cry some  
Every day I have to cry some  
Dry the water from my eyes some  
Every day I have to cry

There was a little girl I had planned to marry  
This was my love, I didn't wanna share it  
I thought that love would make my life bright and sunny  
She said she couldn't love me 'cause I didn't have no money

So, every day I have to cry some  
Every day I have to cry some  
Dry the water from my eyes some  
Every day I have to cry

Had me a girl, guess I really loved her  
Every night when I was thinkin' of her  
But you can't mix love with money  
If you do it's gonna hurt somebody

Every day I have to cry some  
Every day I have to cry some  
Dry the water from my eyes some  
Every day I have to cry

Oh, I know that I'm just a poor man  
But is it wrong to want 'cause I'm not a rich man?  
But every time you mix love with money  
Every time it hurts somebody

Every day I have to cry some  
Every day I have to cry some  
Dry the water from my eyes some  
Every day I have to cry

Every day I have to cry some  
Every day I have to cry some  
Dry the water from my eyes some  
Every day
