

## Someone I Used To Know

Gary Lewis & The Playboys

Someone I used to know called me today  
And said, "Hello"  
And when I heard her voice something inside me  
Whispered, "Oh, no"

There was a time when I would run  
Each time she called me  
And whispered, "Baby"  
But I have changed the lock on my heart now  
You have the only key

Someone I used to know (Someone I used to know)  
Less than a week ago (Less than a week ago)  
Can't be compared to you  
She's just someone I used to know

And whispered, "Baby"  
But I have changed the lock on my heart now  
You have the only key
