

The Night Has A Thousand Eyes

Gary Lewis & The Playboys

They say that you're a runaround lover
Though you say it isn't so
But if you put me down for another
I'll know, believe me, I'll know

('Cause the night has a thousand eyes)
(And a thousand eyes can't help but see)
If you are true to me (Ah-ah-ah)
So remember when you tell those little white lies
That the night has a thousand eyes

You say that you're at home when you phone me
And how much you really care
Though you keep tellin' me that you're lonely
I'll know if someone is there
(Cause the night has a thousand eyes)
(And a thousand eyes can't help but see)
If you are true to me (Ah)
So remember when you tell those little white lies
That the night has a thousand eyes

One of these days you're gonna be sorry
'Cause your game I'm gonna play
And you'll find out without really tryin'
Each time that my kisses stray

('Cause the night has a thousand eyes)
(And a thousand eyes will see me too)
And no matter what I do
(I could never disguise all my little white lies)
'Cause the night has a thousand eyes

(So remember when you tell those little white lies)
That the night has a thousand eyes
