

What Am I Gonna Do

Gary Lewis & The Playboys

Girl, I've heard the words you've said
Those two simple words I dread
To hear you speak and say "Good-bye"
Then you tell me not to cry
Well, how can I hold back these tears
When you just wiped away the years?

Oh, what am I gonna do?
What am I gonna do with all of these memories (Without you)
What am I gonna do without a heart (Without you)
What am I gonna do if I don't have you?

Don't let me stand in your way
You've said the thing you come to say (What am I gonna do?)
It's no big thing what I've just lost
This conversation has just taught me (What am I gonna do?)
Everything but tragedy
Now, girl, you've got to answer me (What am I gonna do?)

Oh, what am I gonna do?
What am I gonna do
What am I gonna do
If I don't have you?

What am I gonna do?
