

Have You Heard?

Gary Moore

Have you heard about my baby?
How I love her you just don't know
Have you heard about my baby?
How I love her you just don't know
Lord, it hurt me so bad
When I heard she had to go

Have you heard about my baby?
How I tried, but I let her down
Ooh, have you heard about my baby?
How I tried, but I let her down
Ooh, she burned me with her love, ooh
Oh, no one else can ever wear her crown

Have you heard about my baby?
Where she goes, where she goes I just don't know
Ooh, have you heard about my baby?
Ooh, just where she goes I just don't know
If you should see my baby,
Please tell her that I love her so.
