

# I Ain't Got You

Gary Moore

I've got a Maserati GT.  
I got snakeskin upholstery.  
I've got a charge account at Goldblatt's,  
But I ain't got you.  
I've got a closet full of clothes,  
But no matter where it goes,  
It keeps a ring through my nose,  
But I ain't got you.  
Got a tavern,  
A liquor store.  
I play the numbers,  
Yeah four-forty-four.  
I got a mojo,  
Don't you know.  
I'm all dressed up  
With no place to go.  
I got women to the left of me.  
I got women to the right of me.  
I got women all around me,  
But I ain't got you.  
No, I ain't got you.  
I got women to the left of me.  
I got women to the right of me.  
I got women all around me,  
But I ain't got you.  
No, I ain't got you.  
No, I ain't got you.
