I Loved Another Woman

Gary Moore

My baby's gone and left me cryin' by myself My baby's gone and left me cryin' by myself I loved another woman, now I lost my best gal

She was a real good woman Never done me no harm Was a real good woman Never done me no harm I loved another woman Now she's up and she's gone

Well, come back baby I won't do you no wrong Come back baby I won't do you no wrong I loved another woman And I won't do that no more
