

You Upset Me Baby

Gary Moore

Yes, she's thirty-six bust
Twenty-eight in the waist
Forty-four on the hip
She's got some crazy legs

It upsets me, baby
Ooh, upsets me, baby
Yeah, I'm tellin' you, she's so fine
Somethin' that you ought to see

Well, she's not too tall
Complexion is fair
It knocks me out
The way she wears her hair

You upsets me, baby
You upsets me, baby
Like bein' hit by a fallin' tree
Woman, what you do to me

Well, I try to describe her
It's hard to stop
I better stop now
In case I got a weak heart

You upsets me, baby
You upsets me, baby
Like bein' hit by a fallin' tree
Woman, what you do to me

Try to describe her
It's hard to stop
I better stop now
In case I got a weak heart

You upsets me, baby
You upsets me, baby
Like bein' hit by a fallin' tree
Woman, what you do to me

It upsets me, baby
It upsets me, baby
It upsets me, baby
It upsets me, baby

Like bein' hit by a fallin' tree
Woman, what you do to me
That's right
