

America

Gary Numan

I'm in a car
And I'm over you
I'm a passenger
And I'm over you

I'm looking for
America
I'm looking for
You

I'm in a glasshouse
And I'm over you
I'm thin, far too thin
And I'm over you
I'm in a corner
And I'm over you
I'm old, far too old
And I'm over you
