

## Lost

Gary Numan

So are we over? Is this our 'end of days'?  
Are we so broken that you can walk away?  
But when you think back to when we first met are you sad?  
And when you think back to all we've been through does it make  
you cry?  
And when you think back to all the love shared do you feel anyt  
hing?  
And when you think back, well did you ever think we'd come to t  
his?  
And yet here we are, and I'm lost.  
If we're over, then you're far away  
If we're over, then I'm lost.

If I had one chance, if I could change your mind  
If I had one wish, I'd wish for one more time  
To see you walking, your hand in my hand, once again  
To hear you laughing, as if forever, like my only friend  
To feel my fingers walk across your skin, with a kiss to end  
To listen to you say that you love me like you used to do  
Like I need you to. But we're lost.

So it's over, you are far from home  
So it's over and I stand alone  
So it's over and I'm lost
