

## Could I

Gary Puckett & The Union Gap

Your only try at love was through before it began  
So now you're frightened of the thought of losing again  
Would I be true to you?  
Girl, if there's any doubt  
Just ask me anything your mind is wondering about

Could I chase the bitter taste  
Left in your heart by someone who said goodbye?  
Could I love you enough?  
I'm down on my knees begging you please  
Could I?

If I could get to you and prove the things that I say  
You wouldn't compare me to the pain you knew yesterday  
You've built a wall of ice I'm sure my loving will melt  
Please let me hold you, love, instead of asking yourself

Could I chase the bitter taste  
Left in your heart by someone who said goodbye?  
Could I love you enough?  
I'm down on my knees begging you please  
Could I?

Could I chase the bitter taste  
Left in your heart by someone who said goodbye?  
Could I love you enough?  
I'm down on my knees begging you please  
Could I?

Could I chase the bitter taste  
Left in your heart by someone who said goodbye?
