

# Over You

Gary Puckett & The Union Gap

Why am I losing sleep over you?  
Reliving precious moments we knew

So many days have gone by  
Still I'm so lonely and I guess there's just no getting over you  
And there's nothing I can do  
But spend all of my time out of my mind  
Over you

Within the prison walls of my mind  
There's still apart of you left behind  
And though it hurts I'll get by  
Without your loving yet I guess this just no getting over you  
And there's nothing I can do  
But spend all of my time out of my mind  
Over you

And I guess there's just no getting over you  
And there's nothing I can do  
But spend all of my time out of my mind  
Over you

And I guess there's just no getting over you  
And there's nothing I can do  
But spend all of my time out of my mind
