

Are We Dreamin' The Same Dream

Gary Stewart

Are you feelin' the same way
Thinkin' about me every day
Do you hurt the way that I do
Baby, I'm in love with you

When I'm sleepin' by myself at night (Sleepin' alone)
Without her it just don't feel right
Do you know what I mean
Are we dreamin' the same dream

Knew when I saw you
Deep down in my heart
Everything I'm feeling
Was right there from the start

(It's only) And living was only
(Just a matter of time) Just a matter of time
(And I'm wonderin') Now you got me wonderin'
What you've got on your mind

Are you feelin' the same way
Thinkin' about me every day
It hurts when I do
Baby, I'm in love with you

And when I'm sleepin' by myself at night (Sleepin' alone)
Without you it just don't feel right (Don't feel right)
Do you know what I mean
Are we dreamin' the same dream

Knew when I saw you
Deep down in my heart
Everything I'm feeling
Was right there from the start

(It's only) And living was only
(Just a matter of time) Just a matter of time
(And I'm wonderin') Now you got me wonderin'
What you've got on your mind

Are you feelin' the same way
Thinkin' about me every day
It hurts when I do
Baby, I'm in love with you

When I'm sleepin' by myself at night (Sleepin' alone)
Without you it just don't feel right (Don't feel right)
Do you know what I mean
Are we dreamin' the same dream
