

One Night

Gary Stewart

One night with you
Is what Im now praying for
The things that we two could plan
Would make my dreams come true

Just call my name
And Ill be right by your side
I want your sweet helping hand
My love's too strong to hide

Always lived very quiet life
I ain't never did no wrong
Now I know that life without you
Is being too lonely, too long

One night with you

Is what Im now praying for
The things that we two could plan
Would make my dreams come true

Always lived very quiet life
I ain't never did no wrong
Now I know that life without you
Is being too lonely, too long

One night with you
Is what Im now praying for
The things that we two could plan
Would make my dreams come true
