

Pretend I Never Happened

Gary Stewart

Just pretend I never happened and erase me from your mind
You will not want to remember any love as cold as mine
I'll be leavin' in the mornin' for a place I hope I'll find
All the places must be better than the one I leave behind
I don't suppose you'll be unhappy you'll find ways to spend you
r time
But if you ever think about me if I ever cross your mind

Just pretend I never happened and erase me from your mind
You will not want to remember any love as cold as mine
[banjo - fiddle]
I don't suppose you'll be unhappy you'll find way to spend your
time...
You will not want to remember any love as cold as mine
