Name your price
Ticket to paradise
I can't stay here anymore
And I've looked high and low
I've been from shore to shore
If there's a shortcut, I'd have found it
But there's no easy way around it

Light of the world, shine on me Love is the answer Shine on us all, set us free Love is the answer

Who knows why
Someday we all must die
We are hopeless boys and girls
And we are never heard
It's such a lonely, lonely, lonely world
People turn their heads and walk on by
Tell me is it worth just another try

Light of the world, shine on me Love is the answer Shine on us all, set us free Love is the answer

Tell me, are we alive Or just a dyin' planet (What are the chances?) Ask the man in your heart For the answer

And when you've lost your way (love one another)

And when you're all alone (love one another)

And when you're far from home (love one another)

And when you're down and out (love one another)

And when your hopes run out (love one another)

And when you need a friend (love one another)

And when you need a friend (love one another)

And when you're near the end (love, we've got to love, we've got ot love one another)

Light of the world, shine on me Love is the answer Shine on us all, set us free Love is the answer

Light of the world, shine on me Love is the answer Shine on us all, set us free Love is the answer

Light of the world, shine on me Love is the answer Shine on us all, set us free Love is the answer Light, shine on me Love is the answer Shine on, set us free Love is the answer
