

I'm Alright

Gary Wright

I'm alright
I'm alright
I'm alright
Yes, I'm alright

I'm alright 'cause you're here with me
We finally got our lives together
Baby, baby, baby, I feel good inside

Yes, I'm alright
Oooh, I'm alright
Yes, I'm alright
Oooh, I'm alright

I'm alright 'cause I feel complete
I needed you once now I just love you
Oooh baby, your love makes me high

Yes, I'm alright
Oooh, I'm alright
Yes, I'm alright
Oooh, I'm alright

Yes, I'm alright
Oooh, I'm alright
Yes, I'm alright
Oooh, I'm alright

I'm so glad that you made me see
The place inside myself where love is
Oooh baby, through you I feel me

Yes, I'm alright
Oooh, I'm alright
Yes, I'm alright
Oooh, I'm alright

Yes, I'm alright
Oooh, I'm alright
Yes, I'm alright
Oooh, I'm alright

Yes, I'm alright
Oooh, I'm alright
Yes, I'm alright
Oooh, I'm alright...
