

# Rotten Egg

Gas Huffer

Meet down at the parking lot  
Before the blacktop gets too hot  
I'll wait but I can't wait all day  
Rotten egg  
Rotten egg  
Rotten egg  
Rotten egg

Pack is running like a grand champ  
Evel Knievel sitting on the ramp  
Whole worlds just laid out on a tray  
Rotten egg  
Rotten egg  
Rotten egg  
Rotten egg

I got a bike that you can borrow  
You know school starts tomorrow  
No time for tears of sorrow  
Don't waste this one that seems to play  
Hey ya ya ya

Meeting down by swimming hole  
Before the water gets too damn cold  
Can't sit here till I'm old and gray  
Rotten egg  
Rotten egg  
Rotten egg  
Rotten egg

I got a bike that you can borrow  
You know school starts tomorrow  
No time for tears of sorrow  
Don't waste this one that seems to play  
Hey ya ya ya

Meet me deep in the woods tonight  
Don't forget to bring your best flashlight  
I'll wait but then I'll have to sleep  
Rotten egg  
Rotten egg  
Rotten egg
