

Day Ones

GASHI

I got my day ones with me
AOnes with me
Real ones with me
That is all I need
We don't want no love
We just want to fuck all your bitches

I got my day ones with me
AOnes with me
Real ones with me
That is all I need
We don't want no love
We just want to fuck all your bitches

I don't stand too far from the greatest
Pippen going hard pay attention
I've been in my zone keep a distance
You know that I'm gone getting wasted
I'm putting it over time
Whippin I'm whippin whippin
Swear to God all this money and fame and this rapping make all of these people start acting different
They never wanted us
I just want to tell the world I got hope when I'm broken as Dishes
You know that I'm up and I'm making a difference for my
Day ones with me
AOnes with me

We don't want no love
We just want to fuck all your bitches

I got my day ones with me
AOnes with me
Real ones with me
That is all I need
We don't want no love
We just want to fuck all your bitches

Bitch I'm respected
I always stay reppin that red and black
4s up the one never second
So many women sippin up in my section
I see a few doubters it's time to start flexin
They pulled a U turn its too late you can exit
Should've paid attention
I said I'm gon' shine
I'm here to take what's mine
We on a one way flight (to the money)
Goddamn I'm blowing up
Pulled up right to the club
They asked me who I'm with? My

Day ones with me

We don't want no love
We just want to fuck all your bitches

Day ones with me
AOnes with me
Real ones with me
That is all I need
We don't want no love
We just want to fuck all your bitches

Oh wooh what a night
This drink got me right
Quarter to five
She said she ain't leaving until she see light
We cannot walk straight can't make it outside
She got all her friends and you know I got mine
The car can't fit nine
We need one more ride
She asked me who you Rollin with?
I said 'You stupid bitch you know I always got my'
