

Empty Inside

GASHI

Trap tap, goin' for a ride, you wanna roll with me
We laugh, your parents blowin' up your phone but you don't ever
wanna leave
It happens every time
But they should know that you're fine
For you I would die
You're the reason I'm alive

I used to feel empty inside
I used to feel empty inside
I used to feel empty inside
I used to feel empty inside
Until you walked in my life

Don't stop, don't stop lovin' on me right now
She said, "Don't stop, boy, you better cum inside of me right now"
She used to feel empty inside
Ain't pullin' out, I wanna see you for life
I still can't believe that you're mines

I used to feel empty inside
I used to feel empty inside
I used to feel empty inside
I used to feel empty inside
Until you walked in my life

I don't feel empty no more, no more
I don't feel empty no more, no more
And when they tryna separate us, say, "Fuck that noise"
And when they tryna separate us, say, "Fuck that noise"
