

Find You

GASHI

Tryna find you
Tryna find you
Anywhere
Anywhere
Tryna find you
Tryna find you
Anywhere
Anywhere

You stay hidden in a rhythm
Girl I need your help
I can't fight it I can't hide it
Have to be myself
Can't resist it
I feel friction
I can't turn it down
Don't want no one else
Don't want no one else
Oh

I keep going up
When the lights go down
I keep going up
When the lights go go
I keep going up
When the lights go down
Tryna find you baby
Tryna find you

I keep going up
When the lights go down
I keep going up
When the lights go go
I keep going up
When the lights go down
Tryna find you baby

Where'd you run to
Where'd you run to
Tell me where
Tell me where
Where'd you run to
Where'd you run to
Take me there
Just take me there

You stay hidden in a rhythm
Girl I need your help
I can't fight it I can't hide it
Have to be myself
Can't resist it
I feel friction
I can't turn it down
Don't want no one else
Don't want no one else

Oh

I keep going up
When the lights go down
I keep going up
When the lights go go
I keep going up
When the lights go down
Tryna find you baby
Tryna find you

I keep going up
When the lights go down
I keep going up
When the lights go go
I keep going up
When the lights go down
Tryna find you baby
