

# Fool For You

**GASHI**

One day I went out walking  
I saw you talking  
To some other guy  
You wore the dress that I bought you  
The flowers he brought you  
Were your favorite kind

And I don't know what I did to make you be so cruel  
I'm a fool for you till the end

I strolled back home from the valley  
I walked down the alley  
Feeling real low  
Could I have been any sweeter?  
I'll try and forget her  
And die on my own

And I don't know what I did to make you feel this way  
But I'll wait for you till the end

And I don't know what I did to make you be so cruel  
I'm a fool for you till the end
