

Greatness

GASHI

Did this on my own
And I'm not complainin'
They all want me gone
They afraid of greatness

I got bad bitches on my line, they live for the turn up (Woo)
Fingers, they fuckin' the burner (Yeah)
I smell and set a fucking curler (Woah)
You tweakin' like you Timmy Turner (Woo)
Blue cheese is all in my pockets (pockets)
Had to really trust the process (Yeah)
Switch it up when they all jock me

You know that I worked hard for everything that I got (Yeah)
Blessings around the corner, had to leave the old block (Yeah)
Find myself in Cali, top down, bumpin' to Pac (Woo)
Told momma I don't need to find me up on no job
'Cause this music shit gon' pop
How could you try me?
For some money, for some money, for some money
You switched up on me
For some money, for some money, you lost me for money (You know)

And I did this on my own
And I'm not complainin'
They all want me gone
They afraid of greatness
I never sold my soul
They will never take it
When I'm finally on
I'm gonna feel amazin' (get it, get it, get it)

You know I'm real, you know you fake
Get up out my face, get up out my way (Woo)
I gotta get paid (Skrr)
Pushin' this music like it's yay
I push it state to state
Did it big without losin' my faith, put food up on my plate
Did it on my own

I got bad bitches on my line, they live for the turn up (Swoo)
Fingers, they fuckin' the burner (Swoo)
I smell and set a fucking curler (Yeah)
You tweakin' like you Timmy Turner (Get it)
Blue cheese is all in my pockets (Get it)
Had to really trust the process (Woo)
Switch it up when they all jock me (Woo)

You know that you can't stop me
Every bad bitch you fuck wasn't for me (For me)
And you mad 'cause you cannot fuck for free (No)
And you can't get in the club 'less you with me (Yeah)
Took me some time, took me some time (Yeah, yeah, yeah)
I'm runnin' up, runnin' beyond

And I did this on my own
And I'm not complainin'

They all want me gone
They afraid of greatness
I never sold my soul
They will never take it
When I'm finally on
I'm gonna feel amazin'

Did this on my own
And I'm not complainin'
They all want me gone
They afraid of greatness
I never sold my soul
They will never take it
When I'm finally on
I'm gonna feel amazin'
