

I'll Be Fine

GASHI

I want that fly shit, biggy ready to die shit
See the risk when I sit
Peep how your bitch eyes lit
Pull up in that fly whip, your girl all on my dick
You pop shit and get popped quick
And get dropped quick, from my click we don't play
They out of they mind and they grip and they none
And they ready to, ready to spray
Man every defilement, I stayed on my grind
Fuck your money, cause my mama pray
They fu be so coco, these haters is hating
They staring all up on my plate
I wanted that rollie for me and my homies to shine
When you throwing that shade
Head right, lex tight, flash me like I ran through a red light
I don't believe in bad lights
Jump the pussy like I don't believe in fair fights
Please do not take this shit personal
Cause that's when this shit gets personal
My doubt is as praying, I'm mercy for money
Just made it reversible
Out in Dubai, chillin' witch chicks who do by
Four in whip site do by
Don't know when death is due by
Told my click we forever, I ain't never gonna do bye
When I die smoke a fat blunt
And never say you too high!

Oh yes, I'll be fine, gotta take it one day at a time
Oh yes, I'll be fine, gotta take it one day at a time
I gotta take it one day at a time

Sipping and smoking the side of the ride
Alright, vsb a hell of a guy
I'm fly, if it ain't loud, don't smoke it
Every day roll in the best, no joking
Promise, hey man speaker don't got a copilot

Don't like me, don't bite me
Nigga chase all about the checks like Nike
Nigga, wait, they fuck with a nigga feel a nigga pain
In touch, they love what a nigga saw wait
