

# No Favors

GASHI

I'm in my zone  
Always alone  
Never lonely though (nah)  
And fuck these hoes!  
Cause they ain't called my phone  
When I was broke  
And now I'm moven it quick  
4 days 3 nights 2 flights more than one bitch  
Doing my thing  
Committing these sins  
Hoping that God don't start burning my wings  
Trying to get rich  
I'm trying to get whips  
These haters get pissed and they wanting my chips  
Trying to shoot me from my neck up like a big bitch up in a pic  
And I'm back up on my block  
And a regular job  
They asking why I still ain't pop!?  
Why I still ain't hot!?  
Cause I don't suck no cock  
And I still believe in my God  
What you worried about me!?  
Ima find a way to the guop (ahh)  
Fuck these bitches I put these holes in them  
I don't burn bridges I put tolls in em (better pay up)  
Do me a favor don't do me no more favors  
No sleep balling means you gotta lay up

Real friends don't count favors  
Real friends don't count favors  
Real friends don't count favors  
Real friends don't count favors  
Yeah yeah yah yah yeah

But I'm worth it  
I found my purpose I deserve it  
And I ain't calm  
I'm still hurting  
My moms still working  
So that means its just no sleep!  
I'm running and gunning the whole week  
Been thugin its nothing to ogs
