

# Paranoid

GASHI

Paranoid  
Someone's watching me  
Paranoid  
All call me  
Feeling like  
Someone's after me  
In my mind  
Haunting me  
Had enough  
Someone set me free  
Paranoid  
Anxiety  
Feeling like  
Having a bad dream  
Paranoid  
All call me

Depends on me  
They keep trynna read my mind  
That's on me  
That's on me  
Depend on me  
Can't no one come kill my vibe  
That's on me  
That's on me

Paranoid  
Someone's watching me  
Paranoid  
All call me  
Feeling like  
Someone's after me  
In my mind  
Haunting me  
Had enough  
Someone set me free  
Paranoid  
Anxiety  
Feeling like  
Having a bad dream  
Paranoid  
All call me
