Switch Up

GASHI

I got ten bitches on my line, they live for the turn up
They wanna know what going down for the night and I let 'em know
We [?] from my game like Nintendo
Movie star, nice living life and get all out the window
They blowing up my phone, I hit them all with the no
I hate it when these fuckboys acting like they all know
I'm too busy concentrating on all this dope
I've been waiting on the green light life for me to go
Too much money, yeah pussy on my all on my mind
Homie start your own way why you try to ride mine
I see this haters throwing shade all on my shine
Now they upset 'cause I hit em' with [?]

Money countin' hack em' to the hood
Get that much that I'm doing good
Phone blowing up
I had to hit em' with the switch up

Coming round not to show me love
Swear to God, phone blowing up
Had to hit em' with the switch up
Had to hit em' with the switch up, Yeah
Money countin' hack em' to the hood
Get that much that I'm doing good
Phone blowing up
I had to hit em' with the switch up

Switch up, switch up, switch up
I had to hit em' with the switch up yeah
Had to hit em' with the switch up
I had to hit em' with the switch up, yeah

Left my city for some palm trees and car keys
They tryna wash me out with my dirty laundry
I noticed that this bad bitches always stalk me
This hatin' cocksuckas they all wanna chalk me
Swear to God my name is always up in their mouth
They so upset that I [?] but then they [?]
When Drizzy told Sprite about that kid up in his house
I swear to God it was me that he was talking 'bout

Money countin' hack em' to the hood
Get that much that I'm doing good
Phone blowing up
I had to hit em' with the switch up

Coming round not to show me love
Swear to God, phone blowing up
Had to hit em' with the switch up
Had to hit em' with the switch up, Yeah
Money countin' hack em' to the hood
Get that much that I'm doing good
Phone blowing up

Money countin' hack em' to the hood
Get that much that I'm doing good
Phone blowing up

I had to hit em' with the switch up

Coming round not to show me love
Swear to God, phone blowing up
Had to hit em' with the switch up
Had to hit em' with the switch up, Yeah
Money countin' hack em' to the hood
Get that much that I'm doing good
Phone blowing up
I had to hit em' with the switch up

I had to hit em' with the switch up

Hit em' with the switch up
Hit em' with the switch up
