

A Chilling Aura

Gatecreeper

Stalked by a chilling aura
Unholy figure roams through the night
Out of the darkness he creeps
He inches forward
Sealing your fate

Cold ruler of the underworld
Grim harvester of souls
Pestilence riding on a pale white horse
Dark messenger of death

Eyes glow with otherworldly light from the shadows
Piercing your heart
Footsteps are silent as he comes ever closer
Sealing your fate

Cold ruler of the underworld
Grim harvester of souls
Pestilence riding on a pale white horse
Dark messenger of death

Scythe forged from bones of the damned
Stealth weapon of doom

Cold ruler of the underworld
Grim harvester of souls
Pestilence riding on a pale white horse
Dark messenger of death
