

# Barbaric Pleasures

Gatecreeper

We escape together  
Life starts behind closed doors  
Finding our peace

Barbaric pleasure  
Nothing but sweat between us  
Barren bodies  
Skin glistening in low light

Down on your hands and knees  
You're looking back intensely in ecstasy

The penetration  
Nothing but sweat between us  
Barren bodies  
Skin glistening in low light  
Penetrating  
Nothing but sweat between us  
Barren bodies  
Skin glistening in low light

The penetration  
Nothing but sweat between us  
Penetration  
Sweat glistening in low light
