

## In Chains

Gatecreeper

Behold the witness  
Eyes blind to faith  
Seen all the madness  
In the killer's face  
Must sell the darkness  
To be the way  
To steal lost hearts so they  
May serve as slaves

Bound  
Mentally drained  
Captured  
In chains of shame

Manipulated  
To serve the master  
Brand of the savior  
Blindly, we keep

Bearing his likeness  
Down on my knees  
Give up my heart so I may be a slave

Bound  
And humiliated  
Captured  
In chains of shame

Manipulated  
To serve the master  
Brand of the savior  
Blindly, we keep
