

# Mistaken For Dead

Gatecreeper

Thrown into exile  
Eternal slumber, stiff  
Cold to the touch

Silently sleeping  
Laid in the morgue  
Thrown into exile  
Eternal slumber

Still, no sign of life  
Forgotten by the living  
I'm left to rot  
Dirt pours in around me  
Still alive, mistaken for the dead  
I knock on the coffin  
Still alive under the earth

Still, no sign of life  
Forgotten by the living  
I'm left to rot  
Dirt pours in around me  
Still alive, mistaken for the dead  
I knock on the coffin  
Still alive
