

Oblivion

Gatecreeper

Mysterious eyes in the doorway staring back
Who's that lurking behind me?
What for?

Alienated
I'm on the outside looking in
Alienated
I'm on the outside looking in

Turn back the hands of time
Violently shaking
Wake up, wake up
Living in disbelief
This can't be how I lose everything I love
Oblivion
Whoa
Oblivion
Whoa

Turn back the hands of time
Violently shaking
Wake up, wake up
Living in disbelief
This can't be how I lose everything I love

Alienated
I'm on the outside looking in
