Ruthless

Gatecreeper

Breaking through windows
Prowling the night
Thieving and robbing
Taking what's mine

Criminal mind

Rooting through pockets
Steel in your mouth
Violently dealing
Taking you out

Criminal mind

Working my way around you
You'll never see me coming
Finding our way without you
We won't wait for anybody
Wild and ruthless
On the right side of this war
Wild and shameless
On the right side of this war
