Gates To Hell

Chains clasp
Something wants me trapped
What is this haunting me?

Feel my flesh deteriorate
Why has this curse been put down on me?

The walls are screaming
The walls are bleeding
The walls are screaming, yeah

Hopeless and lost
Is this a dream or have I lost it all?

Crawling through a hole
Formed right before my eyes

Don't care where it takes me
Don't care if I might die

Ten hearts
Numbers carved deep
The eleventh
Self crucifixion
Rising from the dead
The final ten
Left to die by his hand

An unholy ritual
21 sacraments
Welcome to Hell
