

# Midnight Sacrifice

Gates To Hell

Ten-toes down  
In a pool of your own blood  
Flesh peeling from your bones  
Deteriorating before your eyes  
Your reality shattered as you're eaten alive

Eaten alive

The creatures of the night  
Feast on your flesh  
Feast on your flesh  
Now, you are the sacrifice  
To the creatures of the night

Creatures  
Feasting on your flesh  
Creatures  
Feasting on your flesh  
  
On your flesh
