

## Rise Again

### Gates To Hell

Recreate me one last time  
Strip me down to the bones  
Reconstructing  
The muscles the organs  
A skin tougher than steel

Breathe the stench  
Expel and release  
Cut me open

Stitch by stitch  
Consciousness  
Fuses to one  
To one

A monster, hell's construction  
Eyes roll back  
Rise again

One last time

Fucking malice  
Peeling your skin  
Tear it apart  
What's left to say?  
Pry bar murder  
Primal urge  
One sacrifice to make  
Worshiping the Devil  
In my mind

One last time
